

Cruz, Mark Kenneth M.

6-year Website Developer with SEO and IT experience.

www.chatkenneth.com

Knowledgeable on both **front end** and **back end** development.

My strength is developing **Custom WordPress Websites** using **Starter Theme, Advanced Custom fields, WP Hooks, HTML, PHP, Javascript/ JQuery, CSS/SASS, and MySQL.**

I use either **FileZilla** or **XAMP/Git** when developing Website.

Usually, Clients provide Mockup Design via **Figma, Sketch, Adobe XD, Invision, or Photoshop.**
